ADMISSION POLICY

To be considered, every student must have submitted a completed and signed application. Copies of immunization records, birth certificates, and Social Security cards must be provided. First Baptist Christian School adheres to the age requirement as determined by the Louisiana Department of Education. FBCS is State Approved for Grades preK-3 through high school; however, FBCS is not State Approved for Special Education. Our curriculum is designed for average and above average students as determined by our admission testing. FBCS reserves the right to accept or reject students as a result of the admission testing and/or discipline records. First Baptist Christian School does not discriminate on the basis of race in the administration of its educational policies, admission policies, tuition assistance program, and other school administered programs.

STUDENT FEES POLICY

The parent/guardian is responsible for payment of all student fees and tuition. The registration fee is nonrefundable. A full refund of the tuition will be made if a child were to withdraw from FBCS before the first day of school for the school year. Half of the tuition will be refunded if a child were to withdraw before the first day of the second semester. No refund will be given if a child were to withdraw once the second semester begins. If payment of tuition is delinquent, the student may not be admitted to class until payment is made. School report cards and records will not be released to the parents when a balance is owed FBCS. All withdrawals must be made in the school office. The principal and accountant must be notified of withdrawal, and the parent/guardian must sign a withdrawal form in the school office.

STANDARDS OF CONDUCT

First Baptist Christian School is committed to the highest standards of Christian conduct and holds that the Bible, the infallible, divine Word of God, provides the basis for that conduct. Salvation by faith in Christ is the initial step in the Christian life followed by spiritual growth into the image of Christ, which is the work of the Holy Spirit. This growth begins with the initial act of saving faith and continues throughout life. The Holy Spirit makes the Christian conscious of the Biblical demands for a Holy life which fulfills both God's moral law and high law of love. The result is a life consecrated unto God and separated from the world.

First Baptist Christian School has therefore established standards of conduct in order to provide an environment conducive to the spiritual growth and development of Christian young people. While obedience to rules does not make one spiritual, the spiritually sincere person will desire to live by Biblical standards. As an institution which believes in the development of children with strong character, FBCS contends that moral conviction, self-discipline, and enthusiasm for Christian witnessing are as important as academic excellence.

Our rules are reasonable and necessary for success while enrolled at FBCS. Believing that discipline is necessary for the welfare of the student as well as the entire school, each teacher is given the liberty of making and enforcing classroom regulations in accordance with Christian principles and discipline as set forth in the Scriptures. Any student who shows repeated behavioral problems gives indication that parents need to take action at home, so that the teacher's time is not consumed with behavioral problems but with academic instruction. If at any time the school feels that this parental cooperation is lacking, or the behavior of the student indicates an uncooperative spirit, he/she may be requested to withdraw from FBCS.

I/We have had made available the FBCS current Student Handbook, have read the same, and agree with and will abide by all of the terms, conditions, rules and regulations set forth therein.

I/We have read and agree with the above FBCS policies. _____
